Commercial Account Activation Form

Below is the information necessary to begin water and sewer service with the Water Works Board of The City of Auburn. Our office also includes billing for garbage collection within the city. Please fill out all the information below clearly and precisely. This will insure prompt and accurate billing for establishment of services. There will be a water and a sewer deposit required to initiate service (which are refundable), and a \$15.00 non-refundable service charge. The deposits may be based on the meter size and/or type of business conducted. Please contact The Utility Billing Office at the phone number listed below for the amount of deposits that will be required to open your business account. The deposit and service charge are due at the time of application or can be billed at the discretion of The Utility Billing Office. Please contact The Utility Billing Office if you have any questions or concerns regarding establishing an account with The Water Works Board. Our phone number is (334) 501-3050 and our fax number is (334) 501-7292.

NOTE- Service can usually be connected the same day, except during peak work periods, as requested provided we receive the request by 2:00 p.m. CST.
